

## First How Things Work Encyclopedia: A First Reference Guide for Inquisitive Minds (DK First Reference)

### Recent Examples on the Web

Our age is one, moreover, that would have been unimaginable for the Jews of ancient Persia, save for the coming of the Messiah—a world in which there is a thriving and strong state of Israel. — David Wolpe, *WSJ*, 2 Mar. 2023

Similarly, despite all the challenges of a brutal, attritional war, the conditions for Ukraine to build a thriving tech ecosystem are promising. — Eric Braverman, *Fortune*, 27 Feb. 2023

Men working together to cut lumber, children playing outside a daycare center, families walking around together and enjoying the day: These are people who aren't just surviving but thriving and managing to do so peacefully. — Los Angeles Times, 19 Feb. 2023

Rio de Janeiro is another city that encompasses thriving ecosystems—woods, mountains, mangrove forests, shoals, lagoons, and beaches—within the same urban borders that contain sprawling favelas and a bustling city center. — Eric Margolis, *The New Republic*, 2 Feb. 2023

Though the platform had a thriving NSFW community in its mid-2010s heyday, its 2018 ban on adult content caused a mass exodus from the platform, leading to a 30% drop in monthly page views. — Daisy Jones, *Vogue*, 29 Jan. 2023

Add race to the equation, and even the idea of equity has little chance of surviving—much less thriving. — Sheila Callahan, *Forbes*, 19 Feb. 2023

Ramsey Avery successfully gives us lands that are beautifully majestic and thriving. — Variety Staff, *Variety*, 17 Feb. 2023

According to Portia Cozzolino, owner and grower for Mike's Hothouse, a benefit to a rain gauge is a healthier, more thriving garden. — Alida Nugent, *Better Homes & Gardens*, 14 Feb. 2023
