

How is the word stop distinct from other similar verbs? Some common synonyms of stop are cease, desist, discontinue, and quit. While all these words mean "to suspend or cause to suspend activity," stop applies to action or progress or to what is operating or progressing and may imply suddenness or definiteness. stopped at the red light

In what contexts can cease take the place of stop? While in some cases nearly identical to stop, cease applies to states, conditions, or existence and may add a suggestion of gradualness and a degree of finality. by nightfall the fighting had ceased

When can desist be used instead of stop? In some situations, the words desist and stop are roughly equivalent. However, desist implies forbearance or restraint as a motive for stopping or ceasing. desisted from further efforts to persuade them

When could discontinue be used to replace stop? The meanings of discontinue and stop largely overlap; however, discontinue applies to the stopping of an accustomed activity or practice. we have discontinued the manufacture of that item
